OFFICE OF PETITIONS

Dear Sir:

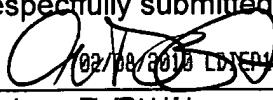

Applicant hereby petitions under 37 C.F.R. §1.313 (c) to withdraw this application from issue. Applicant submits that withdrawal of the application is necessary to allow the Examiner to consider the relevance of various patents. The undersigned attorney first became aware of various patents after the issue fee was paid in this application, and accordingly they were not submitted for consideration at an earlier time.

Applicant hereby authorizes the Commissioner to charge payment of the petition fee set forth in 37 C.F.R §1.17(h) to Deposit Account 23-1925. Applicants have also enclosed a submission pursuant to 37 C.F.R §1.114 (a request for continued examination).

Please advise the undersigned attorney if any further information is required.

Dated: February 4, 2010

Respectfully submitted,
